

# Anything but boring

Smart and sexy, the all-new Vauxhall Agila is the ideal urban run-around. It's small enough to fit into the tightest of spaces, yet spacious enough to seat five people and their luggage.

Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model.

### Cute design

With round headlights and almond-shaped lamp units, the new Vauxhall Agila really is a bright-eyed beauty.
